## **b. General RFP Information**

The County of Bergen and the Bergen County Workforce Development Board (WDB) is the designated grant recipient for the Workforce Development area pursuant to the Workforce Innovation & Opportunity Act (WIOA). The WDB has authorized the WDB Out-of-School Youth (OSY) Sub-Committee to release this Request for Proposal (RFP) to solicit proposals from organizations interested in operating programs funded by WIOA through the Bergen One-Stop Career Center (BOSCC). Youth programs provide comprehensive education and employment preparation services via a skills-based design to eligible youth age sixteen through twenty-four.

The WDB reserves the right to make changes to these policies based on clarifications in the regulations, State Legislation, or other guidance provided by the State or Federal Government regarding the implementation of the Workforce Innovation & Opportunity Act.

## **c. Purpose of Funding for Program Year (PY) 2018-2019**

The purpose of this Request for Proposal (RFP) is to provide for free and open competition and to solicit proposals from applicants willing to provide training and/or customer services with enrollments based on customer needs. It should be the intent of the proposed training to enhance the job prospects of eligible out-of-school youth residents of the Bergen County Workforce Development area.

Applicants are encouraged to show their ability to maximize program efficiency by leveraging funds from other sources within the proposal. Availability of other grants, in-kind services and coordination/collaboration with other service providers for a continuum of services required by the fourteen (14) program elements will be taken into consideration.

The WDB reserves the right to select more than one applicant for funding under this RFP. If multiple awards are granted, funds will be distributed according to availability, meeting of priority areas as described herein and number of students estimated to be served.

## **d. Deadline for Submission of Proposals**

Eligible applicants interested in applying for these funds must submit a complete proposal package with required documents, consisting of one (1) signed original, eight (8) complete copies and one (1) electronic copy on a flash drive. Failure to submit a signed original and the required number of copies will result in the proposal not being considered for funding (disqualification). Note: It is recommended that a blue ink pen be used for all required signatures in order to differentiate the original from the copies. All proposals submitted for consideration must:

1. Be securely fastened (do not staple the pages; do not place the proposal in folders or binders).
2. Not exceed fifteen (15) one-sided pages with a line space of 1.5. Applicants may not use a type font lower than 12 point. All pages must be numbered.

The original and copies must be delivered by no later than 12:00 noon on the deadline date of April 13, 2018 to the following address:

**Tammy Molinelli, Executive Director  
Bergen County Workforce Development Board  
60 State Street, Room 200  
Hackensack, New Jersey 07601**

Persons who hand deliver proposals will be issued a "Notice of Receipt of Proposal." All proposals submitted will be initialed with a time and date stamp. Timely submission of proposals is the sole responsibility of the applicant. Applications not meeting the deadline will be disqualified for consideration, review, and/or funding. Letters of acceptance or disqualification will be mailed to all applicants after completion of the Review and Evaluation Process.

**e. Eligible Applicants:**

Any New Jersey based non-sectarian, public educational institution accredited by the New Jersey Department of Education or New Jersey Labor Workforce Development, labor unions, private-for-profit business entity, private non-profit corporation, or public entity. All approved programs must qualify to be put on the NJ Eligible Training Provider List (ETPL), within 60 days of the official acceptance date which will be specified on the letter of commitment.

3. Applicants who provide a minimum of two sites, one located in the southwest and one in the southeast quadrants of Bergen County, accessible by public transportation, and with connections to community based organizations to student as a whole.

**The Bergen One-Stop Career Center must be included in the RFP as a partner.**

**Responsibilities of the Applicant:**

1. Contracting with the WDB;
2. Cooperating with the Bergen County One-Stop Committee in the development and implementation of opportunities for Out-of-School Youth in Bergen County, including youth obtaining their HSE;

#### **f. General Workforce Development Area Reservations**

The WDB reserves the right to accept or reject any or all applications received as a result of this RFP. The WDB reserves the right to extend the submission deadline should such action be in the best interest of the workforce development area. The WDB reserves the right to withdraw this RFP at any time without prior notice. The WDB makes no representation that any contract will be awarded to any offer responding to the RFP. If an inadequate number of proposals are received or the proposals received are deemed non-responsive, the WDB reserves the right to reject all proposals. Under these conditions, the RFP may be reissued or funding diverted to alternative programs within the Workforce Development area. The WDB reserves the right to assess the qualifications of all applicants that submit an application and negotiate with all qualified applicants. The WDB reserves the right to request additional information or documentation or require that an applicant formally submit (by certified mail) price, technical, or other revisions of its application as a condition to approval. Proposals shall be reviewed and rated by the WDB as submitted. No changes or additions may be made by the applicant after the deadline for receipt of proposals.

The WDB reserves the right to verify all information in the proposal. If the information cannot be verified, and if the errors are not willful, the WDB reserves the right to reduce the rating points awarded. The WDB reserves the right to require applicants approved for funding to negotiate a contract with the WDB. The negotiation process shall be bound by the best terms and conditions originally offered by the applicant in the proposal. The WDB reserves the right to make contract award contingent upon the satisfactory completion by the applicant of certain special conditions. The contract offer of the WDB may contain additional terms or terms different from those set forth herein. The WDB reserves the right to administer this application and subsequent agreements in accordance with applicable rules and regulations promulgated by the New Jersey Department of Labor and Workforce Development and any other governmental agency superior to the Workforce Development Area, including any all changes and/or revisions to laws that become effective prior to or during the program operations. Though an application may rank high and be approved for funding during the Review and Evaluation process, only those programs, which are in the best interests of the customer and the Workforce Development area, will be awarded contracts.

#### **g. Limitations**

**An applicant may not be recommended for funding, regardless of the merits of the proposal submitted, if it has a history of contract non-compliance with the County or any other funding source, poor past or current contract performance with the County or any other funding source, or current disputed or disallowed costs with the County or any other funding source.**

Organizations that have been sanctioned because of non-compliance with Single Audit Act requirements for managing grant funds will be eligible to apply; however, they will not be eligible to receive any funding, if awarded under this RFP process until their sanction is removed. The WDB may refuse to fund an organization with outstanding disallowed costs, regardless of the merits of the proposal submitted.

#### **h. Amount of Funding**

Estimates for Program Year 2018 (July 1, 2018-June 30, 2019) funds that will be available for youth services pursuant to this RFP are not yet available. However, if local allocations remain at the same level as provided during the 2017 Program Year then **approximately** \$300,000 may be available for program year 2018 for out-of-school youth.

Due to limited funding, the WDB reserves the right to adjust final grant awards for less than the amount requested by the applicant.

#### **i. Funding Guidelines**

The WDB will make commitments to fund projects in accordance with the timeline stated in this application. When actual funding becomes known and available, the WDB will negotiate a best and final offer with selected applicants.

Please note as stated in the New Jersey Public Contract Law: *“Under no circumstances shall the provisions of the proposal be subject to negotiation”*.

The WDB reserves the right to negotiate a best and final offer with all applicants selected for contract awards.

All costs of proposal preparation shall be borne by the applicant. The WDB shall not, in any event, be liable for any pre-contractual expenses incurred by applicants in the preparation and/or submission of the proposal.

The proposal must set forth accurate and complete information as required in this RFP. Unclear, incomplete, and/or inaccurate documentation may not be considered for contract award. Falsification of any information may result in disqualification. If the applicant knowingly and willfully submits false performance or other data, the WDB reserves the right to reject that proposal. If it is determined that a contract was awarded as a result of false performance or other data submitted in response to this RFP, the WDB reserves the right to terminate the contract. Proposals may be withdrawn by written request of the authorized signatory on the applicant's letterhead at any time prior to the scheduled closing time for receipt of applications.

Cost will be reimbursed based on benchmarks. Negotiations of all contracts will be in accordance with the regulations promulgated under the Workforce Innovation & Opportunity Act.

An RFP is NOT a contract. A contract does not exist until one is executed by both parties. All contracts awarded pursuant to this RFP shall be subject to the availability and appropriation of

funds by the County of Bergen and WDB. The applicant shall be solely responsible and shall not look to the County for expenses it may incur in operating a program pursuant to the contract award, and/or any promulgated regulation by a higher governmental authority. Adequate, on hand, financial resources in the amount of a thirty (30) day unrestricted fund balance are required. If and when the Workforce Development Board deems it appropriate in the best interest of the program, it may modify a contract by adding to the original training program cycles and/or numbers to be served. This in no way affects curriculum or performance requirements. At any time during the term of the contract, the Workforce Development Board may elect to purchase additional services called for by the agreement or may elect to extend the terms of the agreement.

**j. Enrollment Benchmarks**

Payments rendered under this RFP are based on successful completion of benchmarks as follows:

	<b><i>Pre-HSE</i></b>
Benchmark 1	\$750 upon the Completion of WIOA Certification
Benchmark 2	\$500 Successful Attendance 4 weeks beyond Certification Date
Benchmark 3	\$600

***Additional Funding:*** Additional funding of \$1,000 a month for two sites to cover space provided for the One-Stop Youth counselor who is assigned to work directly with the youth enrolled in the program, not to exceed \$24,000 per year.

**k. Contract Period**

The contract period for this Request for Proposal is expected to be from July 1, 2018 through June 30, 2019, which may be renewable for a second year. The WDB reserves the right not to issue a grant for a second year under certain circumstances, such as, but not limited to:

1. Unavailability of funds and/or;
2. Unsatisfactory work of the selected applicant, and/or;
3. Failure to meet agreed upon minimum performance standards (including but not limited to enrollment numbers), and/or;
4. Failure to submit required documentation in the timeframes requested.

The WDB also reserves the right to terminate the contract during the funding year for any of the reasons listed above. In cases where points 2-4 are listed as the reason for terminating the contract, the WDB will issue a letter of intent to terminate the contract and the applicant shall have 30 days in which to respond with a corrective action. If the applicant continues to perform unsatisfactory, the WDB shall terminate the contract.

The Bergen County One-Stop Career Center is the administrative entity for youth services provided through WDB funding. As such the Bergen One-Stop Career Center will conduct the eligibility determination, initial assessment and development of the Youth's initial Individual Service Strategy (ISS) form.

The applicant will work directly with the One-Stop Youth Counselor to develop the ISS for each youth enrolled into their program. The individual ISS will-consist of Education Goals, Identified Supportive Services, Career Planning and Identifying appropriate career training leading to employment in an unsubsidized position resulting in self-sufficiency.

### c. Fourteen Program Elements Required by WIOA

The below listed elements must be available to youth. The inability to provide one or more of the program elements does not necessarily exclude the service provider. The intent of this RFP is to award a contract to responsible bidder(s) whose proposal, conforming to this RFP is most advantageous to the local area, price and other factors considered. The WDB, however, reserves the right to separately procure individual requirements that are the subject of the contract when deemed to be in the best interest of the target population.

Some may or may not be provided by your agency but must be made available as indicated by letters of commitment:

**1. Tutoring, study skills training, instruction, and evidence-based dropout prevention and recovery strategies** that lead to completion of the requirements for a secondary school diploma or its recognized equivalent (including a recognized certificate of attendance or similar document for individuals with disabilities) or for a recognized postsecondary credential;

- 2. Alternative secondary school services, or dropout recovery services,** as appropriate;
- 3. Paid and unpaid work experiences** that have as a component academic and occupational education, which may include:
  - (i) Summer employment opportunities and other employment opportunities available throughout school year;
  - (ii) Pre-apprenticeship programs;
  - (iii) Internships and job shadowing; and
  - (iv) On-the-job training opportunities;
- 4. Occupational skill training,** which shall include priority consideration for training programs that lead to recognized postsecondary credentials aligned with in demand industry sectors or occupations in the local area involved, if the local board determines that the programs meet the quality criteria described in section 123;
- 5. Education offered concurrently with and in the same context as workforce preparation activities** and training for a specific occupation or occupational cluster;
- 6. Leadership development opportunities,** which may include community service and peer-centered activities encouraging responsibility and other positive social and civic behaviors, as appropriate;
- 7. Supportive services;**

- 11. Financial literacy education;**
- 12. Entrepreneurial skills training;**
- 13. Services that provide labor market and employment information** about in-demand industry sectors or occupations available in the local area, such as career awareness, career counseling, and career exploration services; and
- 14. Activities that help youth prepare for and transition to postsecondary education and training.**

#### **d. Proposal Selection & Evaluation Criteria**

The WDB has in place a process for the evaluation of new programs, requests for proposals, and other initiatives. Standard evaluation elements and review requirements address the local goals, objectives, and priority use of funding. A copy of the review questions and process will be made

available to all bidders' submitting a proposal. All proposals will be submitted to and reviewed by the Bergen County WDB or a subgroup (review panel) thereof. The review panels will either consist of volunteers drawn from the WDB's general membership or from other WDB members, partners, committee members, or/and staff members of the WDB. The WDB also reserves the right to include community leaders and local business representatives on the review panel. Proposals will be reviewed by those individuals who do not have a vested interest in the awarding of funding, thereby eradicating any conflict of interest or an appearance thereof. Should a conflict of interest be raised regarding a member of the review panel, the WDB Director, along with the WDB Executive Committee shall have the authority to hear and resolve such matters.

The WDB has developed criteria to be used in awarding grants. That criteria and scoring system are shown in Instruction section of this proposal. In brief, proposals will be assigned a numerical rating based on a total maximum score of 100 points. An indication of the maximum score for each proposal section is included in the Program Narrative Requirements section of this Request for Proposal. The WDB will make recommendations for possible grant awardees to the Workforce Development Board's Executive Committee for full Board approval, which will provide final awarding of contracts. To ensure high standards for both business and customer satisfaction, service providers must demonstrate their ability to provide and coordinate comprehensive services as outlined in this document and in the WIOA and provide assurances and methods to assess and evaluate their programs effectiveness.

#### **e. Performance Measurements**

Performance is a basic foundation of the workforce development system emerging from WIOA. Programs and providers will be measured upon the results they achieve. The WDB will require assurances from youth providers that include:

1. A commitment to collect and maintain the necessary data;
2. A commitment to work with the One-Stop youth counselor in the execution of the participant's ISS.
3. A commitment to report on the WIOA required performance measures according to the requirements of the State.

#### **f. Vision**

Youth participants will acquire the necessary skills to successfully transition into adulthood, careers, and further education and training. The ideal youth system will improve the long-term employability of youth, enhance the educational, occupational, and citizenship skills of youth in a community service environment, encourage school completion or enrollment in school or alternative school programs, increase the employment and earnings of youth, reduce welfare dependency and assist youth in addressing problems which may impair the ability of the youth to make successful transitions from school to work, apprenticeship, the military, or post-secondary education and training. It will provide the right intervention at the right time with age and stage appropriate activities and will serve all youth, not just those funded through WIOA youth funds.

Youth services will be accessible through the Bergen County One-Stop Career System and various youth programs/agencies located throughout Bergen County. The Bergen County One-Stop Career System and the various partner agencies will have knowledgeable staff that will provide information on careers, post-secondary educational opportunities, and job readiness

skills. The services and resources available will be sufficiently comprehensive for the youth of Bergen County to be successful.

Based on initial certification and assessment, a youth service strategy will be developed with each participant. Through the Bergen County One-Stop Career System or the applicant, youth will access a variety of services including tutoring, work experience, community services opportunities, support services, information on post-secondary education and financial aid, connection to a mentor, occupational training and job placement services. Youth can also access special services such as drug/alcohol treatment, health services, transitional housing, and psychological counseling and specialized assessment such as for learning disabilities and visual/hearing impairments. Case managers/youth advocates will assist in setting goals and determining the appropriate mix of services.

#### **g. Resolution of Procurement Disputes**

The complainant must submit to the WDB Director its dispute in writing with full documentation supporting the dispute. The complainant has fourteen (14) days within which to file a complaint, except for discrimination complaints, which are limited to a 180-day limitation.

1. The WDB Director will have 14 days in which to respond. Where applicable and appropriate, a hearing will be convened to review an unsettled complaint.
2. If the local level fails to make a decision or the decision is unsatisfactory to the complainant, the complainant can appeal to the State level and request a review of the complaint by the Director of Workforce New Jersey. The request for review shall be filed within fifteen (15) days from the date on which the complainant should have received a decision. Request for Director's review should be sent to:

Director, Workforce New Jersey  
New Jersey Department of Labor and Workforce Development  
CN055  
Trenton, NJ 08625-0055

3. If the Director does not render a decision, the complainant has the right to request a review by the U.S. Secretary of Labor. The federal review is confined to allegations of violations of the law under the Workforce Innovation & Opportunity Act of 1998. Request for the U.S. Secretary of Labor's review should be sent to:

USDOL  
Frances Perkins Building  
200 Constitution Avenue, NW  
Washington, DC 20210

The complainant must exhaust the remedies at each level prior to making an appeal to the next higher level.
